

Apex

C.P. Bathroom Fittings

COMPANY PROFILE

Apex started its journey in 1990 under the visionary leadership of Mr. Alok Gupta. It has revolutionized the concept of a very high quality of faucets, showers & Kitchen accessories.

Being an inventor & undisputed leader **Apex** is Pioneer in Segment of Faucets & Showers, Sink & Modular Kitchen. Increased Market demand and wide acceptability compelled **Apex** to expand its product range today.

Apex today invests highly in its R&D to supply the desired product line to its end consumers. The brand has achieved a strong foothold not only in institutions but also with leading Private Residential Builders, Real Estate Companies, Architects, Public & Commercial Enterprises and is easily available across the length & breadth of the country through extensive dealer network.

Equipped with state-of-the-art technology, **Apex** manufacturing Plant based at Panipatis equipped with latest technology and supported with proficient R&D team.

The personality of highly traditional **Apex** brand reflects a symbiosis of design, quality and functionality. The company's core competence is its knowledge in the area of bath fitting manufacturing.

For **Apex**, quality has two aspects: manufacturing knowledge and high degree of practical benefit that the finished bathroom affords the consumer, which is often not immediately apparent.

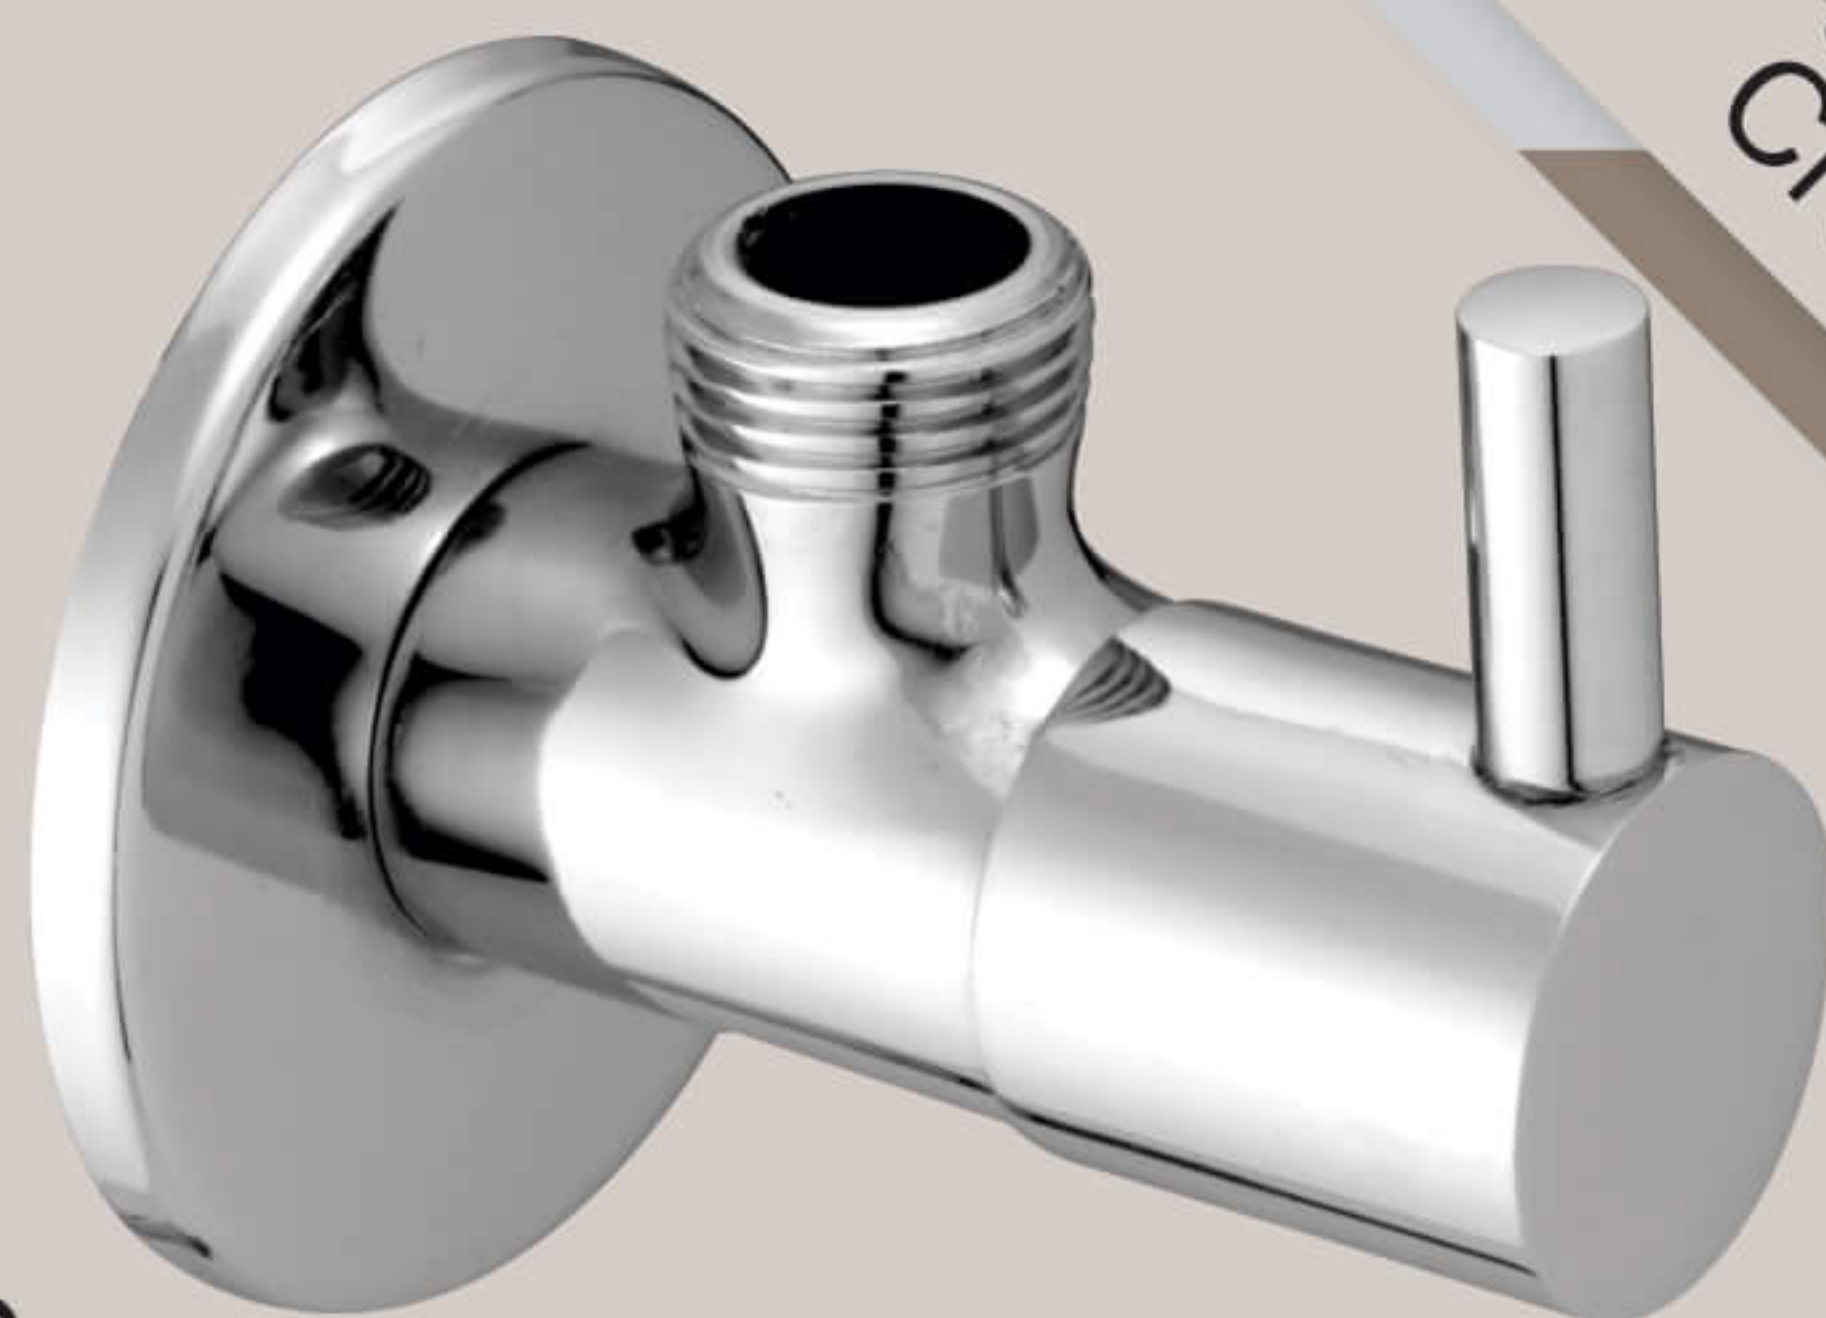

Apex, an Indian company, manufacturing products that allow water a precious resource to be used sparingly, demonstrates in this manner a commitment to preserving natural resources and environmentally friendly production.
